

Bastien Labeste

## PROFILE

06 40 63 34 54

[bastien.labeste@etu.inp-n7.fr](mailto:bastien.labeste@etu.inp-n7.fr)

Toulouse, France

Driver's license / own car

## LANGUAGES

Français	Native
Anglais	B2
Espagnol	B1

## TECHNICAL SKILLS

SAP

PHP / HTML / CSS

Python / C

Ada

SQL

Linux & Windows system administration

Network design and management

## HOBBIES

Sports (judo, golf, weight training)  
- discipline and stress management

Reading (webtoons, manga)  
- creativity and curiosity

Cinema (sci-fi, thriller, animation)  
- critical thinking and creativity

Member of Mensa France  
- intellectual exchange community

# APPRENTICE ENGINEER IN DIGITAL SCIENCES

## EDUCATION

### ENSEEIHT, TOULOUSE

2025 - Present

Engineering program in Digital Sciences (Apprenticeship track), focused on networks, cybersecurity, and software development. Strengthening skills in system administration, advanced programming, and IT architecture design through hands-on experience in a professional environment.

### IUT R&T, NICE

2023 - 2025

Technical degree in Networks and Telecommunications, focused on computer networks and telecommunication fundamentals. Covered network configuration, system administration, and cybersecurity. Developed skills in programming, communication, and system management.

### JULES FERRY, CANNES

2020 - 2023

General Baccalaureate with a focus on programming and computer engineering. Completed hands-on projects such as designing smart lockers for autonomous vehicles. Developed project management skills through feasibility studies, algorithm design, and programming.

## PROFESSIONAL EXPERIENCE

### OXYA, SOPHIA ANTIPOLIS

2024 - Present

Apprenticeship focused on the management and optimization of SAP environments, as well as Linux and Windows system administration, virtualization, and cloud infrastructure. Contributed to the maintenance and improvement of complex IT systems, applying academic knowledge in a demanding professional environment.

### AMADEUS STAGE DE 3ÈME

2019

Introductory internship focused on AI, cybersecurity, and graphic design. Collaborated with professionals in AI and machine learning. Gained insight into the role of technology in the professional world, reinforcing my interest in a career in cybersecurity.

## CERTIFICATIONS

Cisco Networking Academy – Introduction to Networks (CCNA 1) - 965/1000

Cisco Networking Academy – Switching, Routing and Wireless Essentials (CCNA 2) - 982/1000

Voltaire Certificate - 811/1000
